

MSRP Project 2018

**Title:** Vaccination Rates in UF General Pediatric Clinics

**Faculty Mentor Name, Email:** Carolyn G. Carter, MD, cartcg@shands.ufl.edu

**Faculty Mentor Department:** Pediatrics

**Research Project Description:**

The purpose of this study is to examine the vaccination rates of UF General Pediatric clinics, both the Faculty Group Practice and the Continuity Clinics. We will also look at the rate of HBV vaccination of infants in the UF Health Shands Hospital Newborn Nursery. This project could include working with a PhD student in the College of Journalism and Communication to develop messages to promote vaccination and then evaluating their effect. There is no additional funding for this study. A poster presentation or publication is expected.
